

## Splash Shields

*Protects User with Smooth, Easy Position Adjustment*

### LAB-24966 Series

No matter how your workspace is configured, these Plexiglas® splash shields are designed to provide safety plus comfort (not hot and stuffy like personal face shields), flexibility (they're fully adjustable), and quality in a design that will adapt to your specific needs. All shields move side-to-side as well as up and down at the touch of a finger. Free precious work space and enhance the performance of every user. After selecting desired shield, order appropriate mounting fixtures.

**Product Discontinued**

**Mounting Fixtures:** Refer to recommended mounting fixtures. Choose the best mounting system for your work area.
